only small parcels offering on market ; prices, however, remain | do. rosin. only 3,000 bbls., as follows: On Friday, 600 bbls., Saturday 100 do , Monday 2,000 do., and Tuesday 300 do., all at \$1 50 for large size bbls. In No. 1 we hear of the sale of only 100 ballast, by Gco. Harriss. bbls. on Friday last of inferior quality, at \$1 75 % bbl. In Schr. the sale of only one small parcel this week at \$2 121 \$ bbl.; generally held at \$2 25 \$ bbl. BEEF CATTLE, &c.—There is a fair supply of beeves in butchers hands, and we note but little demand. We quote at kin & Martin; with lumber, &c. 5 @ 6 cents & b., as in quality-a prime article would probably bring a higher price. A small drove of Sheep was brought in two or three days since, and went at \$2 00 \$\mathbb{B}\$ head. Candles—In the store price of Tallow we note a decline of 1 cent, with small sales at 16 @ 17 cents # 15. See table for prices of other qualities.

Coffee—In Rio we note sales this week from first hands of

Pitch-But very little enquiry for this article, and we note

quantity and quality. Corron—This article is in moderate enquiry, and we notice light receipts. Sales for the past week of 262 bales, as follows: 69 bales ordinary at 7½, 62 do. middling at 8½, 127 do. middling fair at 9 @ 9½, and 4 do. fair at 10 cents 20 lb.

Sylvania in the control of the contr CORN MEAL-No change to notice in the price, and there EMPTY BARRELS-The market has ruled decidedly dull for

FISH-In Mullets we note the arrival since our last review of 440 bbls. The demand has been limited, and the price has declined; about 380 bbls. have sold at \$6, \$5 75 \$5 50, and \$5 for pine and oak bbls.—the larger portion of the sales being at lowest figure. The lot of 141 bbls. reported last week on market sold at \$5 75.—Retailing at \$6 25 @ \$6 50 from store. FLOUR-We have but small sales of Flour to report for the week. On Thursday last sales of Fayetteville brands were made at \$10 for superfine and \$10 50 for family-at which figure it remained up to Monday; since then sales have been made at \$9 50 for superfine. The supply on market is very light, but buyers generally are anticipating larger receipts and a further decline, in consequence of a slight rise in the river, thereby enabling some of the lighter draught boats between this town and Favetteville to reach the latter place.

GRAIN-In CORN we have nothing new to note for the week. There is only a limited demand for the article, and the supply in dealers' hands has not been materially reduced. We con tinue former quotations from store-85 cents for yellow, and 88 @90 cents & bushel for white.—OATS—No receipts for the past week. Dealers have a fair supply in store, and there is only a light demand. Last sale from vessel was at 47 cents & bushel. PEAS-Ground Peas continue to arrive very freely, and the price has declined 20@25 cents on former quotations. The BY VIRTUE of a decree of the Court of Pleas and Quar-sales for the week have been at from \$1 05@\$1 121 \$\to\$ bushel, as in quality. hands. There is a fair enquiry from dealers, and a good article would sell quick at a high figure;—we advance our store rates for hams to 15 @ 16 cents # B. See table. In Western cured there has been but little doing since our last review, and we continue former figures. See table. -- LARD-N. C. make is very scarce, and is in active demand at our quotations; none has been received during the week. One or two parcels of Northern make has arrived, which sells at 13 @ 131 cents & th. PORK-In Northern Mess we note a full stock on market, with a light demand, and the price has declined 50 cents on former quotations Sales from store at \$14 @ \$14 50 \$ bbl. Fresh is brought to market slowly, and meets with ready sale from carts and wagons at 8 @ 9 cents # 1b.

Salt-1,800 sacks received on Wednesday from Liverpool, which sold to arrive on private terms. There is a fair supply on market, with a moderate demand, and we note sales from store and wharf at \$1 35, \$1 40 @ \$1 45 \$ sack, as in quantity .-About 2,000 bushels Alum Salt received coastwise, and changed hands on Monday at 40 cents # bushel. See table for store

SHINGLES-No change to note in prices. The receipts of Common are very light, principally of small boat loads, and are not near sufficient for the demand. We note small sales at \$4 50 for Common, and \$6@\$8 \$ M. for Contract. TIMBER-Continues to be brought in very slowly, and is in demand. Received this week some 4 or 5 rafts, which have

sold at prices quoted in our table. FREIGHTS-In coastwise we have little or no alteration to make on last week's rates. The quantity of produce offering is not near sufficient for the vessels in port, and two or three have had to leave in ballast. See table. NEW ORLEANS, Nov. 11 .- The sales of Cotton during

B. for Middling. The increase in the receipts amounts to 43,000 bales. CHARLESTON, Nov. 14 .- Cotton There was a good demand for this article to-day, the sales having reached upwards of 1450 bales. The demand was freely met by holders and prices were rather in favor of buyers The transactions comprise 37 bales at 7; 131 at 74; 86 at 74; 136 at 8; 37 at 84;
